## What do we do at preschool?

Our ethos is about fun, play and enjoyment in our preschool. We want the children to enjoy their childhood and have positive experiences in our settings, whilst learning through play. We work towards the EYFS and keep your child's experiences and achievements in their own file for you to see.

## Snacks:

Drinking water is available throughout our sessions, Milk and fruit is offered at regular intervals. For children staying throughout the day there is a choice of bringing a healthy packed lunch or purchasing a school meal depending on the setting and facilities available.
